Our school meets the standards of and is licensed by the State of Michigan.

OUR PHILOSOPHY

Our Philosophy is to model Christian values for our students. We do so by treating everyone the way we would like to be treated, by saying a prayer before our snack, and by celebrating special holidays with our families in church.

We believe children love to learn! Our school offers a supportive, caring, and encouraging environment in which to grow. The children develop key skills through play, art, music, theme-related projects, stories, Spanish, games and much more!

It is the goal of the Huntington Woods Christian Preschool that children leave our program with a foundation that enables them to enter into an academic setting with confidence and a strong sense of self-worth.

DISCIPLINE POLICY

Children are encouraged to develop a sense of self control, cooperation, and respect for others. Positive reinforcement is given by our staff to encourage these qualities.
